

Agawam Historical Association

BECOME A MEMBER TODAY!

The Agawam Historical Association is currently accepting members for the current year. The association was founded in 1962 to encourage an interest in the collection and preservation of historic materials, documents and landmarks pertaining to the town of Agawam so as to be available for the enjoyment of present and future generations; and to provide educational opportunities for the dissemination and understanding of facts concerning the history and cultivation of civic pride in the heritage of Agawam and Feeding Hills.

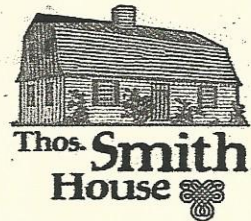

The association spent many years raising funds for the renovation of the Former Elm Street Fire Station into the AGAWAM HISTORICAL & FIREHOUSE MUSEUM. Opened on Memorial Day, 2002, the museum provides facilities for the proper storage, preservation, and public display of historic artifacts and documents associated with Agawam/Feeding Hills.

Our current project is the preservation of the 1757 Thomas Smith House on North West Street, Feeding Hills.

The Agawam Historical Association is strictly a volunteer organization. Informative meetings are held on a quarterly basis. If you would like to learn about and help preserve the past of Agawam and Feeding Hills please consider becoming a member today.
